For those born fans: the Audi Junior quattro comes with an exclusive Bayern Munich sticker set and LED front and rear lights as standard. Kids find the touch-sensitive on/off switch in the cockpit intuitive and easy to operate. A control LED on the switch indicates the light status selected. The battery compartment is located under the seat cushion, which is held in place with Velcro. Made in Germany.

A push pole to help parents guide the vehicle is recommended as an accessory.

For children aged between 18 months and 3 years.

Material: robust vehicle body made from PE, manufactured using plastic blow moulding
Dimensions: L/W/H: 71.5 × 29 × 37 cm

Apart from the steering rod and steering wheel, the vehicle comes fully assembled. The stickers included can be arranged as desired.

Junior quattro pink

Specially designed for girl learner drivers: the Audi Junior quattro with pink body and white fittings is a bold departure from its predecessors. It features a broad, low-set Singleframe grille, large side air inlets and pronounced blisters above the wheels. The soft EVA seat cushion provides the necessary ride comfort. Made in Germany.

A passion for the original.

Audi drivers have high expectations. Even fine details must have that thrill factor. The same goes for the Audi miniatures, which reflect the extraordinary fascination of the originals on a small scale. And so you can bring the spirit and joy of the four rings into your home.

Tradition

Audi legends are timeless.
Their allure is everlasting and has
nothing to do with dimensions.
Even in the 1:43 scale, the
miniature versions convey true
greatness. Tradition you can
touch and collect. Who knew
history could be so exciting?
